If this dog develops crippling hip dysplasia at anytime from purchase to one year of age (confirmed by x-rays from a competent licensed veterinarian), the dog should be returned to us at the expense of the buyer. We will replace the dog (due to crippling dysplasia) as soon as possible with a replacement of equal value to the dog at the time of original purchase. We reserve the right to request that the x-rays be sent first for review to a board-certified Veterinary Radiologist or other veterinarian of our choice. Should the Buyer prefer to retain the said dog, the Buyer thereby forfeits any replacement, unless other arrangements are mutually agreed upon.

The health and temperament of this dog is excellent to the best of our knowledge and belief at the time of sale. The required vaccinations and wormings are as indicated on the health record below, attached, or sent with dog. We advise the Buyer, however, to have the dog examined by licensed veterinarian of Buyers choice within 48 hours after receipt of the dog. We recommend you take a stool sample. If the veterinarian finds the dog to be in poor health, the dog must be immediately returned within 48 hours. The returned of the dog will be totally at the expense of Buyer, unless other arrangements are mutually agreed upon in writing between both parties. Failure to see a veterinarian within 48 hours will void all guarantees. No further guarantee is made.

All sales are final and down-payments are non-refundable.
